████████ contract is being worked today through the CO in Region 2. Carlene talked to Pam P. last night who was going to call Patty Sonntag and ask her to process through EAS.

Second TDD for the Aztec site, because I did not get an update from START today. I just used yesterday's figures and rolled them forward for another day. I'll check on it.

I feel like we've finally got a handle on this. Are we including the second START TDD for the ICP space in Aztec, NM? Thanks

P.S. Any word on the ██████████ contract?
